

The Addison-Penzak JCC Fitness Center in Los Gatos, CA is looking for a Massage Therapist and Esthetician. Qualifications include strong communication skills, passion for helping others, a minimum of 500 educational hours of massage, CPR/AED and First Aid certification, at least two year of massage therapy working experience, and two years experience in Esthetician practices.

The APJCC Fitness Center is the Winner of Metro Silicon Valley's "Best Health Club" 2006, 2008, 2009, and 2010. Our 20,000 square foot fitness center is filled with state-of-the-art equipment. We are open to all faiths and backgrounds and our diverse community offers a wide variety of programming opportunities for every level of fitness.

#### Position Summary:

The Massage Therapist/Esthetician is responsible for assisting in the growth of the massage and spa department through promotion of self and other therapists.

#### Essential Functions:

- Work as a team player with the other spa staff
- Work together as a team with all Wellness Center departments
- Make sure to perform all opening/closing checklist duties
- Sell and deliver Massage Therapy and Esthetician services to clients
- Provide massage therapy and esthetician services to members, guests and corporate clients
- Be responsive to our members
- Comply with all Wellness Center and Spa Department guidelines
- Other duties as directed

#### Other Functions:

- Self Promotion – participate in the promotion of the spa department
- Attend all staff meetings and training sessions
- Maintain the department's "Standards of Practice" by attending continuing education classes
- Be the center "goodwill" ambassador and greet and assist members
- Develop relationships and encourage member referrals
- Attend spa department and spa training meetings and continuing education classes to keep certifications current

#### Specific Skills:

- Customer service oriented ~ you MUST be a people person!
- Good communication skills
- Contribute great ideas and vision to the department
- Ability to: handle responsibility, follow-through, multi-task, be reliable and responsive, and service clients.

#### Minimum Job Requirements:

- 500 hours of training from an accredited massage school
- 25 hours of chair massage training a plus
- City/State Permit as required by the Town of Los Gatos and or state certifications.
- Must have a current license and certification with the Board of Cosmetology.

#### Experience:

- Two years of work experience or have completed a minimum of 500 hours of a massage program with an on-site supervised clinic
- Two years of experience with Esthetician Services either through your own business or with a spa
- CPR and First Aid certifications

Working Conditions:

- Community Center environment
- Fitness Center environment
- Office environment

Physical Requirements:

- Ability to stand for 90 minutes at a time
- Ability to do five one hour sessions in a six hour shift
- Ability to lift and carry 25 lbs.

Must be able to work the following shifts:

- Thursday evenings from 5-10pm
- Friday evenings from 5-10pm
- Sundays from 10am-1pm.
