

The Addison-Penzak JCC in Los Gatos, CA is looking for certified Massage Therapists. Qualifications include minimum of 500 educational hours of massage, CPR/AED and First Aid certifications, strong communication skills, great customer service, and passion for helping others.

Position Summary:

The Massage Therapist is primarily responsible for providing members, guests, and corporate clients with therapeutic massage. The Massage Therapist is also responsible for assisting in the growth of the massage department and their shift through self-promotion.

Essential Function:

- Provide massage therapy to members, guests, and corporate clients
- Be responsive to our members
- Comply with all fitness center and massage department guidelines

Other Functions:

- Self Promotion – participate in the promotion of the massage department
- Attend all staff meetings and training sessions
- Maintain the department's "Standards of Practice" by attending continuing education classes

Minimum Job Requirements:

- 500 hours of training from an accredited massage school
- 25 hours of chair massage training a plus
- City/State Permit as required by the Town of Los Gatos

Experience:

- 1 yr. of work experience or have completed a minimum of 500 hours of a massage program with an on-site supervised clinic

Specific Skills:

- Training in one of the following three modalities: Swedish, deep tissue, or sports massage.
- Training in Shiatsu, Amma, acupressure, orthopedic massage, pre-natal, etc. a plus.

Specialized Knowledge, Licenses, etc.:

- Working knowledge of anatomy and basic physiology plus a certificate of completion from an accredited Massage and/or Shiatsu School and/or hold a National Certification.

Working Conditions:

- Community Center environment
- Fitness Center environment
- Office environment

Physical Requirements:

- Ability to stand for 90 minutes at a time
- Ability to do five one hour sessions in a six hour shift
- Ability to lift and carry 25 lbs.
