AGES: For our youngest campers, ages 18-24 months

Open your child's eyes to a world of exploration and friends. Pashoshim is an enriching and nurturing program for toddlers who will be 18 months old by the start of the summer. The classroom is a safe and stimulating environment for toddlers to explore and grow. Children will be given loving attention from our caring staff.

Activities will include art, tactile, music and movement, and water play. Our summer program also features opportunities for participation in special events with Camp Katan (our 2-4 year old program), like animal programs, guest entertainers, and all-camp Shabbat celebrations, as well as weekly "mystery" readers.

The summer camp for toddlers is a 9-week session that begins on June 18th and ends on August 16th. Your options are a Full or Half day program, with 3 or 5 days available.

The adult to child ratio in Pashoshim is 1:4.

Pashoshim campers must be 18 months old by June 18th, 2012.

David McCullough, Director of Camp Pashoshim & Camp Katan, has been at the APJCC since September 1991. He has worn a variety of hats for the APJCC.
