

ISRAELI DANCE INSTRUCTOR

Club One is looking for Certified Pilates Reformer Instructors based out of the Addison-Penzak JCC in Los Gatos. Qualifications include strong communication skills, passion for helping others, a minimum of one nationally recognized fitness certification, and CPR/AED certification.

Position Summary:

The Israeli Dance Instructor works closely with the Group Fitness Manager in carrying out Club One's commitment to service its members in the best fitness environment possible. The Israeli Dance Instructor is responsible for developing an Israeli dance program with the approval of the Group Fitness Manager.

Essential Functions:

- Teach Israeli dance with varied dance experience
- Promote appreciation for dance as a mechanism for self and communal expression
- Lead dance as a fun activity to bring participants together and step outside their "comfort zone."

Other Functions:

- Familiar with classical Israeli dances and music
- Passionate about Israeli culture
- Capable teachers and motivators
- Experienced in working with all ages of participants
- Positive Jewish role models

Education:

Dance Instructor Certification, or Fitness Instructor Certification, or 4-year degree in Dance, Fitness or a related field.

Experience:

2 years in dance or fitness industry. 1 year in Israeli dance instruction

Specific Skills:

Communication skills, customer service oriented.

Specialized knowledge, licenses , etc.:

CPR Certification.

Working Conditions:

Fitness club environment and off-site.

Physical Requirements:

Must be able to physically perform the duties mentioned above.

Club One, founded in 1991, with nearly 100 locations throughout the US, is looking for people who can grow with us. We have ambitious growth plans and have numerous opportunities in our commercial clubs, corporate managed fitness centers (Electronic Arts, Motorola and AOL, to name a few!) and community centers.

At Club One, we deliver quality fitness and wellness solutions that support meaningful change in people's lives. We are not your typical gym. People and programs are our differentiator, not the amount of equipment in the clubs! Integrity, results and relationships are the foundation of our professionalism.

Careers can begin at Club One, where there are multiple opportunities for advancement. You should consider the opportunities for growth and career development with a professional company like Club One. Nearly 100 locations...and growing! For more information about the company, see our web site, www.ClubOne.com.

Club One offers a fun, challenging work environment, paid vacation, medical and dental insurance, 401K, complimentary gym membership, and terrific growth and development opportunities!
