

# Spin Ticket System

*\*Effective March 1, 2009, all Spinning Classes will require a ticket\**

Due to the large amount of participation in our spinning classes, we will be implementing the following ticket system to ensure you have a bike in class.

It's as easy as 1, 2, 3!

- 1.** Pick up a ticket at the service desk on your way to class or call and reserve your bike. Tickets will be issued starting 60 minutes before the scheduled class time. To be fair to everyone, only 1 ticket is allowed per participant.
- 2.** Sign your name on the clipboard at the service desk corresponding to your ticket #.
- 3.** Hold on tight to your ticket until class. When you get your bike out, hang your ticket on the handle. If bikes are not occupied at the beginning of class, they are open to participants on the waiting list.

**That's all there is to it!**
