

HOW TO BOOK YOUR PARTY NOW

Birthday parties, whether you create your own theme or use one of our great kids' packages, are 2 hours in length with 1 hour of planned activity and 1 hour for treats and party games.

Once you have booked your party's date and time, our birthday party planner will discuss with you the details of your party. We have several options available to make your child's birthday a memorable day, or you can supply your own party décor, food and supplies. Please kindly note that the party menu must comply with the JCC dairy policy.

Contact Andrew Mendes at 408.357.7447 or email Andrew@svjcc.org for more information or to book your reservation now!
