

Spin Ticket System

**Effective May 1*

*For the Spinning classes on:
Thursdays 6:30pm-7:30pm
Saturdays 8:00am-9:00am
Saturdays 9:00am-10:00am
Sundays 8:30am-9:30am*

Due to the large amount of participation in our spinning classes, we will be implementing the following ticket system to ensure you have a bike in class.

It's as easy as 1, 2, 3!

- 1.** Pick up a ticket at the service desk on your way to class or call and reserve your bike. Tickets will be issued starting 90 minutes before the scheduled class time. Only 1 ticket allowed per participant, don't cheat!
- 2.** Sign your name on the clipboard at the service desk corresponding to your ticket #.
- 3.** Hold on tight to your ticket until class when you get on your bike & hang the ticket on the bike handle. If bikes are not occupied at the beginning of class, they are open to participants on the waiting list.

That's all there is to it!
