

Camp Madrichim: L.I.T. Program

“Be the change you want to see in the world.” - Mahatma Gandhi

Join us and learn how to develop into a powerful and successful leader at Camp Madrichim. Formerly known as our Leader in Training (L.I.T.) program, Camp Madrichim has been professionally developed for all 7th - 10th graders who want to immerse themselves into workshops and clinics that will build on their skills in communication, leadership, ethics, and valuable concepts such as diversity, integrity, responsibility, and citizenship. In addition, all L.I.T.s will have opportunities to filter into general camp and put to play the skills that they learn at these workshops and clinics as junior counselors. Plus, cool field trips, games and activities, and much more will be available for all teens!

Tennis Camp

Maximize YOUR potential!

Our goal for this summer is to help all junior players maximize their potential by providing fun and challenging drill sessions, rally sessions, match play, chalk talk, strategies, video analysis, and mental focus. Awards will be given to players exhibiting outstanding sportsmanship, most improved players, and undefeated players. We will also be inviting some professional players to come and speak with our sports stars.

Our coaches have designed the tennis daily curriculum based upon prior experiences in summer camps from around the world. Top juniors in NORCAL have chosen to train with them specifically and are benefiting tremendously from these programs.
